Noah's Ark Pre-School is run by a committee of parents and carers. The support of all parents and carers is vital to keep the pre-school running, so we hope you will join us in making sure Noah's Ark offers the best possible environment for our children.

You may like to get involved by joining the Noah's Ark Committee - we are always on the look-out for people to join us to keep the committee going. There are more details about this below.

If you feel this isn't for you, perhaps you might like to help with refreshments at one of our church services during the year, or perhaps you would just like to help with fundraising by coming along to one of the many events organised during the year such as the quiz night, pudding and pamper evening or summer funday. If you would like to help in any way, please fill in the tear-off slip below and return it to Noah's Ark, or send us an email.

However you feel you can get involved, all parents and carers are members of the pre-school and we look forward to seeing you.
