

Noah's Ark Pre-School

Newsletter

May 2018

Hi, I am the transitions co-ordinator at Noah's Ark. We understand the transition to school is a big move for the children so we do all we can at Noah's Ark to

support the children with this change. After the half term we will be arranging a variety of activities to support the children. This includes creating a role-play school area with school uniforms, book bags, pictures of schools, books and other materials. We will also have a PE week where the children will be invited to bring in shorts, t-shirts and plimsolls/trainers to practise getting dressed for PE sessions at school. We practise carrying a school dinner tray too! another skill to master. We will be in contact with local schools to try and arrange visits from their teacher or teaching assistants within one of our sessions. Of course your child will also get the opportunity to visit their school too, so please let us know when this is so your child's key person can talk to your child afterwards about their visit. I will shortly provide you with a handout with some tips on how you can support your child in readiness for school in September too. Many Thanks, from Sue x

Goodbye from Tamisha

It saddens me to be saying goodbye. The last three Years at Noah's Ark have given me some of the happiest times. the staff team, committee, the children and their families have been incredible and I would just like to thank you all. It has been an honour to be a part of such a fantastic pre-school that is growing, and it saddens me to be leaving. I wish Noah's Ark all the best for the future it has been a pleasure.

Love Tamisha x

LABELLING

Please ensure that **ALL** of your child's belongings are clearly labelled, this includes, hats, bags, shoes, coats and anything your child brings into pre-school. This will ensure whoever collects your child will be able to retrieve all of their bits and pieces before they leave to go home. Please ensure whoever is collecting knows which coat/bag belongs to your child.
